NOW, THEREFORE BE IT RESOLVED that the Oneida Tribal Business Committee demands that the Oneida Housing Authority immediately reconsider the contractors who submitted bids and that a contractor be selected with the concurrence of the Business Committee, that has a more reliable reputation than the contractor selected on August 5, 1974.

BE IT FURTHER RESOLVED that the Turnkey method not be employed for the 25 housing units being considered and that rather the conventional method of obtaining housing be used.

BE IT ALSO RESOLVED that the Oneida Tribal Business Committee will dissolve the present Oneida Housing Authority and appoint new members to said Authority providing the above-cited problems are not resolved by the Oneida Housing Authority within a two-week period beginning October 1, 1974.
